Not to be taken from this room

Hi Ricky,

Well hell goes nothing! This is to one of the sweetest nicest, fun lovenest and charming boys (now don't get conceited - just teasing) that I know. I want to wish you all the luck and happiness in all the years to come (you might need it!) - Boy this is getting hard cause I have forgotten everything I was going to say - No seriously I want you to know that I admire you greatly and consider us the best of friends. I hope to see you next yr as a Senior (it will take a lot of hoping but we'll make it) and then we will be tops!

"Good Luck with the Girls" "67?" Love Ya  
Connie

Jake, you are the best friend a guy could have. We will have more good times before we settle down as old men. I can't think of anything I can do, like lend you your car or two Caltons! -  
David Edwards  
"Jake"  
"Jack"

Ricky  
It has been wonderful knowing you for the last 12 years. I must say enjoyed having you in P.E. this year. I hope we may be together next year. Have fun this summer.

Good luck always

*Volume XXXVI*

*Goldsboro High School  
Goldsboro, North Carolina*

*Goldsboro High School*

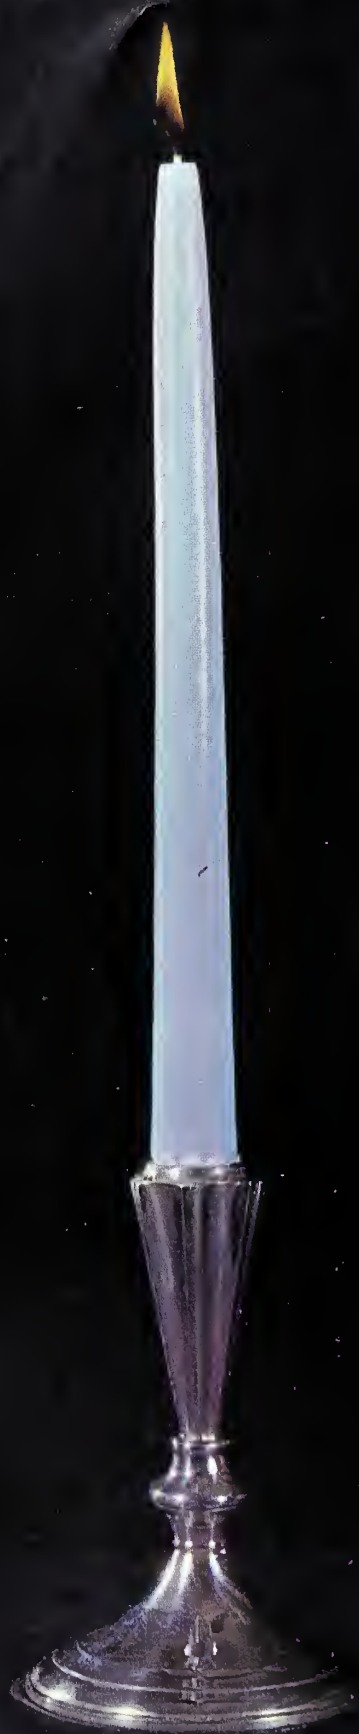

This is Goldsboro High School, a mixture of many things to the students who spend seven hours here each day.

In three years a student spends over three thousand hours in these halls. These hours are filled by classes, clubs, and countless other activities. They are the gift this school has given us. We sincerely hope that their fruit is a legacy which we can proudly leave to it.

*Light —*

*The symbol of  
man's  
undying hope!*

Since early man cowered in his cave, light has been the symbol he has associated with good. His knowledge, his accomplishments, his understanding—all these things have been represented by light. In the same manner, the evil which man has faced—his failures, his faults, his enemies, his ignorance, his lack of understanding—has been symbolized by darkness. The great spiritual leaders of mankind have been called “enlightened” and man’s lowest ebb is called his “dark ages.” The very struggle between man and the forces which would destroy his civilization has been likened to a struggle between light and darkness.

*The 1966 Gohisca is therefore  
dedicated to the light of knowledge  
and understanding which we now*

*take as both our guide and our  
goal as we strive to build a new  
world.*

*Mrs. B. K. Balkcum*

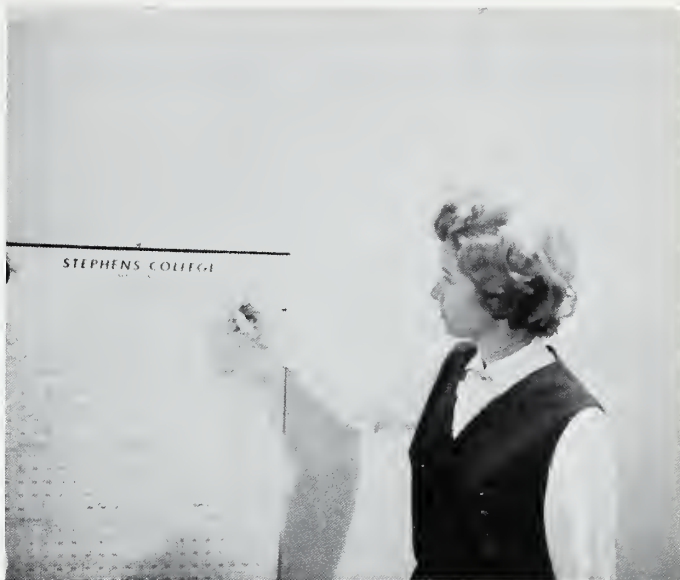

# *We Honor*

Mrs. B. K. Balkcum is that intelligent, helpful lady who serves our school as its full time guidance counselor. If students have any questions about college applications or choice of courses for the next year, they know that they can obtain the needed advice from Mrs. Balkcum.

In addition to this job, Mrs. Balkcum is the advisor to the Student Association, where she spends many hours in meetings as well as in attending statewide conventions.

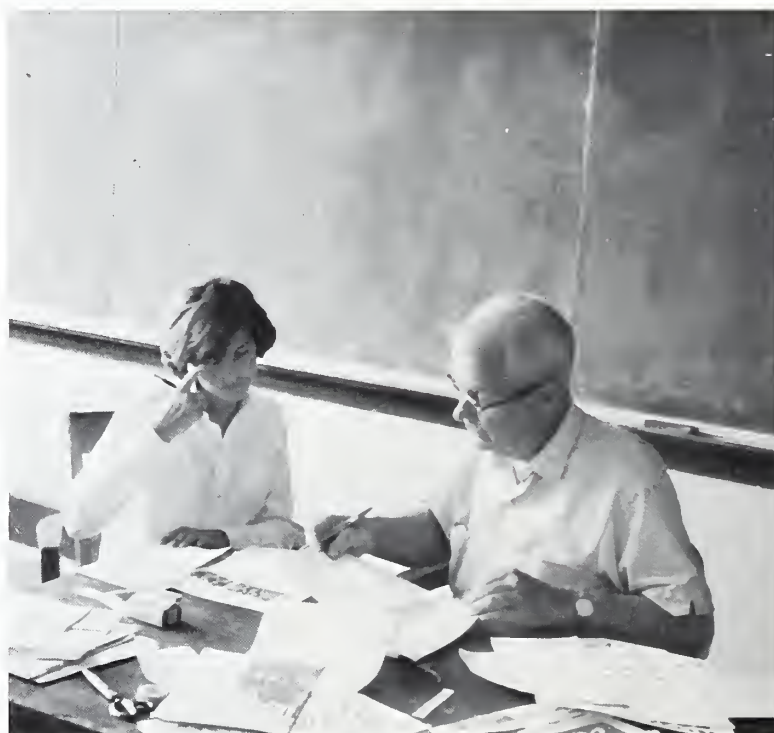

The memory of this school year, with all of its activities and achievements, is embodied in this 1966 Gohisca, which the staff wishes to dedicate to her with respect and appreciation for her wise guidance and for her selfless service.

Work on the new lab buildings progressed all summer.

## *Summer Activity at GHS —*

Early work on the Hi-News resulted in an early edition.

With undaunted determination, students head for classes—

*was amplified —*

while others race against the bell at the water fountain.

*By students  
returning to  
new experiences —*

Maria and Karin discuss their first day at GHS.

*new responsibilities —*

Donna Armstrong receives her class ring.

Students turned out in large numbers—

*and new victories*

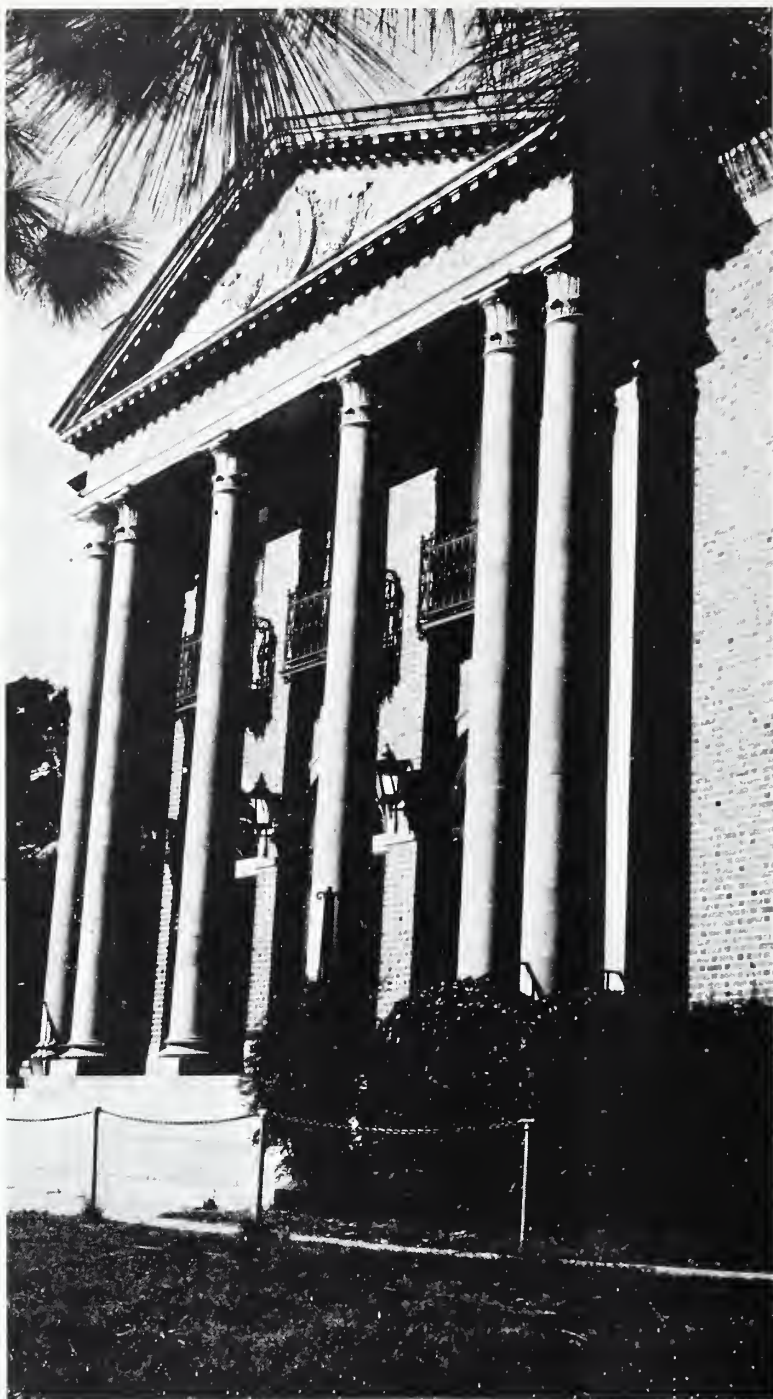

to see the 'Quakes beat Rocky Mount.

Karin Hedberg

Maria Zegers-Lynch

GHS extended a warm welcome to our foreign exchange students, Karin Hedberg from Sweden and Maria Zegers from Chile.

Each school seeks to honor the outstanding members of the senior class in some way. Over the years, the Senior Superlatives have become an honored tradition at GHS. At the beginning of each year, the senior class selects those whom it wishes to recognize for their contributions to the school.

This year, the Gohisca takes pleasure in adding two others to their ranks. Both Karin Hedberg and Maria Zegers-Lynch, in the short while they have been here, have become a welcome addition in the halls.

The Gohisca salutes the Senior Superlatives for 1966.

## *GHS Concert Band*

The concert band is a cultural aspect of the music program. The band members pride themselves on the accomplishments that they make through many long hours of hard work. Their efforts reaped profits last spring as they became the first out-of-state band to play in the New York State Pavilion on the opening day of the 1965 World's Fair. They take pride in themselves as they reflect on that memorable day. But this was only one concert. Every year they give an annual Christmas concert for the public. This performance is repeated at Cherry Hospital for the enjoyment of its patients, and on occasion for the student body of the school.

As a marching unit, the GHS marching band serves the school in several ways. ## *Goldmasquers*

The Goldmasquers continue to bring the tragedy, comedy, and drama of the stage to Goldsboro High School and the community. Chosen on a point system for participation in dramatic productions, these students uphold the finest Thespian tradition.

John Medlin familiarized Mr. Michael Holden, Director of the Goldmasquers, with the console.

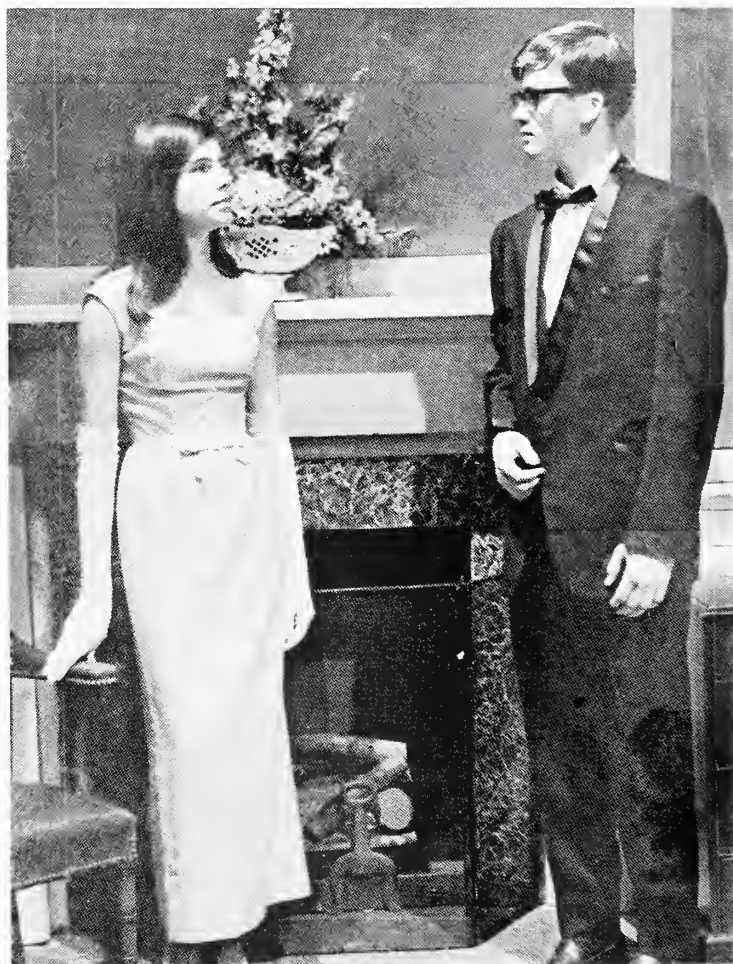

## *"Blithe Spirit"*

"Blithe Spirit," written by Noel Coward, was the first play of the year presented by the Goldmasquers. A success in its entirety, the play was hilarious at some moments, suspense-filled at others.

The cast included: Elvira, Diane Smolen; Mrs. Bradman, Vicki Newsome; Mr. Bradman, Mike Richards; Ruth, Karen Wolffe; Edith, Lauri Crone; Charles, Barry Shoemaker; Madame Arcati, Bonnie Taylor.

"Elvira? Are you mad?"

"Well, Charles, if I must . . ."

# . . . Presented in typical Goldmasquer tradition

The Goldmasquers develop their talents, both dramatic and technical, through experience on the stage. Working in groups, students learn to get along with others, to discipline themselves, to profit by constructive criticism, and to improve their creativity.

The members of the cast and crews take time out to sign autographs.

Marygold Summerlin, Jackie Flowers, Vickie Newsome and Brenda Freeken take a minute from posing to paint.

Ben Lewis checks with the backstage crew as John Medlin sings along with the Beatles.

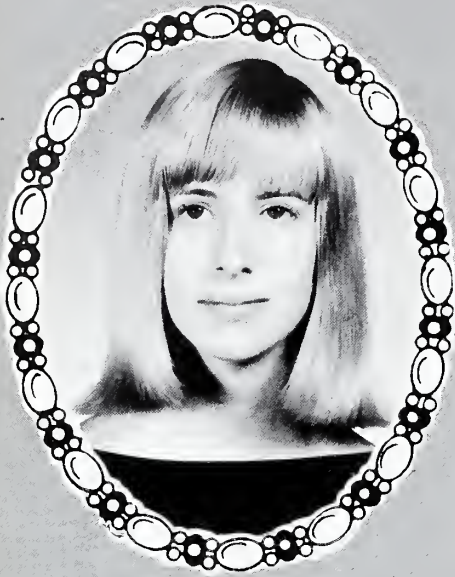

Nick Stewart switches lights to master dimmer as Mike Wood watches for a cue.

# *Hemi Demi Semi Quaver Club*

Organized this year, the HemiDemiSemiQuaver Club is composed of students interested in the Fine Arts. The club meets monthly in seminar fashion, with lecturers and performers. By having these guest artists share their experiences and views with the students, the organization broadens the individual's outlook and brings him in closer contact with current happenings in the Fine Arts.

The interest in the Arts is so great this year that it took two pictures to include all the members of one of our newest clubs.

New this year at GHS, the Literary Club is designed to bring understanding and reading pleasure to its members. Many different types of literature were explored, from the traditional classics to the contemporary best sellers. With the guidance of Miss Lucy Hicks, advisor, this club began the year with a study of Milton's *Paradise Lost*, and other books recommended by the group.

## *Literary Club*

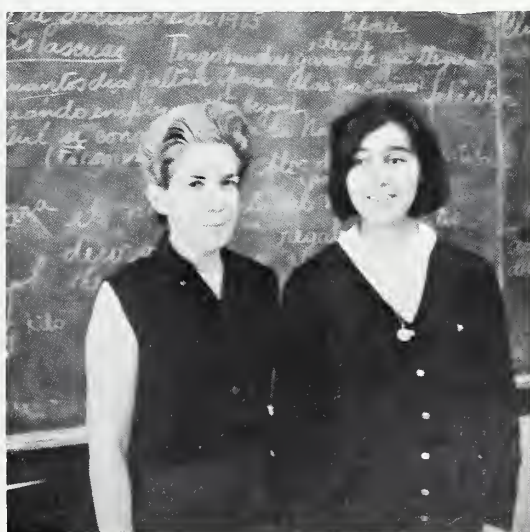

Officers: Marsha Hagman, President; Sherry Brantham, Vice-President; Mary Ann Cox, Secretary; and Bill Bland, Treasurer.

## Spanish Club

The Spanish Club was one of the more active clubs. The first part of the year was high-lighted by a Spanish Christmas party, with a pinata, a Spanish dance, and several Spanish Christmas songs. The club was very fortunate in having Maria Zegers, a foreign exchange student from Chile, a Spanish speaking country, as one of its members, and Dr. Salas, a native of Cuba, as its advisor.

The French Club, now in its most successful year, continues to offer to its participating members an insight into France along cultural paths beyond those encountered during class discussion. All students interested in French as a language, as well as the ideas, customs, art, and history of France, are welcomed to this organization. To further the interest and instruction, the meetings are conducted entirely in French, under the capable guidance of advisor, Mrs. Whitten.

## *French Club*

To preserve the image of classmates, to record the events of the day, to re-create the 1965-66 school year—these were the goals of the Gohisca staff. H. B., Priscilla, and Christy build a "Pyramid of Pep."

Linda Lou, Leslie, H. B., Mark, and Priscilla raise our Victory Flag, as Carolyn looks on.

The four year old Pep Club is one of the fastest growing of all school organizations. This year, largely due to the contagious pre-game spirit initiated by this group at pep rallies, attendance and enthusiasm were at a new peak at all games. Members of the Pep Club are responsible for posters and banners in the school prior to athletic events, the tolling of the Victory Bell, and the raising of Victory Flag after a winning game.

Exploring their interest in education brought these girls together.

## *Future Teachers of America*

Those students interested in teaching as a career field have a first hand opportunity to preview this professional field when they join the Future Teachers of America. Goldsboro's chapter was active this year in state activities, as well as in local projects.

Officers: Linda Toler, President; Priscilla Farthing, Vice-President; Gail Gaddy, Secretary; Marsha Hagman, Treasurer

Officers Jean Thomas, President; Gail Partin, Vice-President, Ann Malpass, Treasurer; Margaret Lucus, Parliamentarian, make plans for the year with their advisor Mrs. Agnes Jensen.

## *Future Homemakers of America*

Through the guidance of Mr. Agnes Jensen, the Future Homemakers of America performed many useful services for GHS and the community. In October they played host for the District 2 Future Homemakers Convention. Then, in December, as their first major project, they dressed dolls which were distributed through the Salvation Army. The efforts of the organization were climaxed by the annual Mother-Daughter Banquet.

These future homemakers use their talents to serve the community.

## Senior Division

The GHS Biology Club, under the direction of Miss Geraldine Jones, offered an opportunity for students to continue to explore this area of interest even after class commitments ceased.

## Biology Club

# Math Club

Officers: Jane Porter, Secretary; Bruce Hulse, President; Glen Sykes, Treasurer; H. B. Edgerton, Bobby Pierce, Co-chairmen of Programming

The Math Club, open to any interested students with at least an 85 average in math, was formed to develop a better understanding of mathematical concepts through the discussions led by the members and by the advisor Mrs. Pamela Lawrence.

Mrs. Lawrence explained that there is an easy way to do everything.

Students who show a special interest in mathematics find the Math Club to be a rewarding experience.

These students find job opportunities in local stores.

# *Distributive Education*

Based on the theory that one can best learn by doing, students in Distributive Education work part time and in this way gain experience for full time work in the future.

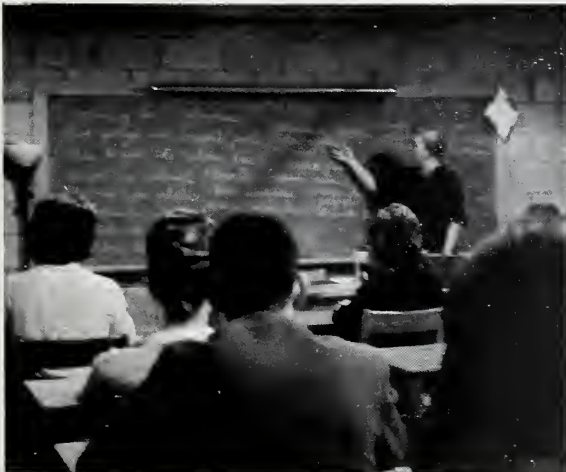

Since the club was first organized in 1939, local merchants have been cooperating to provide the actual training opportunities that supplement classroom instruction.

Classroom instruction helps prepare them for the future.

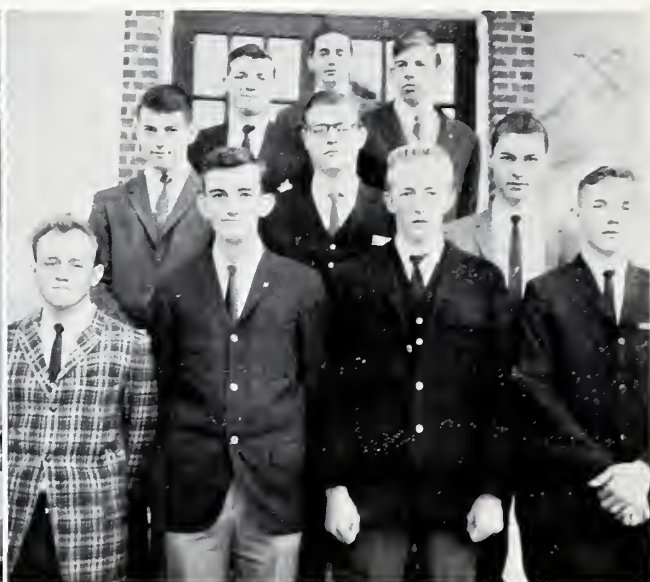

Exchange of experiences broadens their knowledge.

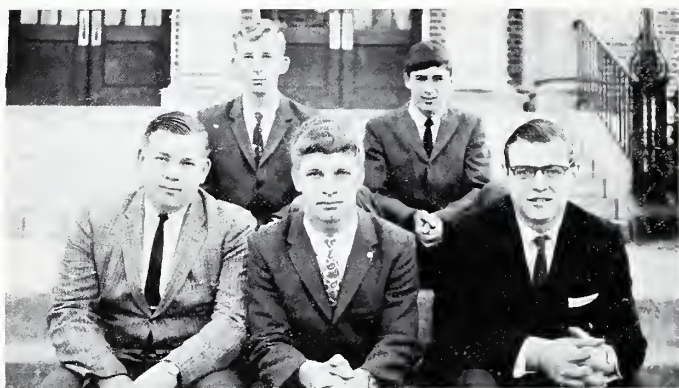

Miss Faison acts as instructor and guide.

# Bus Drivers

Goldsboro High School has one of the best school bus programs in the state. All the drivers were presented the safe drivers award by the Civitans' Club. They have the responsibility of transporting approximately 3000 students to and from school each day. In addition, they are expected to keep their buses clean and safe.

*Ricky:*  
 I sure appreciate you helping us with our buses this year. Good luck to you next year with your own bus. Oh! keep up the good work out at Wilber's, dishwasher. Best of luck in everything you do.

## *Activities*

Bill Snypes and Priscilla Wharton enjoy a bit of conversation with their dance as Lynn Wilson and his partner glide by.

As juniors, members of the Class of '66 honored last year's graduating class with a traditional gift—the Junior-Senior Dance. Countless hours spent converting the interior of the gym into an outdoor garden resulted in a setting of beauty for one of the best-attended dances in years.

## *Junior-Senior*

The refreshment table was almost as popular as the dance floor.

Pre-game festivities saw cheerleaders and friends lined up to cheer the team.

## Homecoming

An overflowing stadium and a game full of suspense and excitement highlighted Homecoming '65. This thrilled-packed football clash saw Wilson, in the final seconds of play, on the Goldsboro one-foot line with the score 14-10. The Quakes held, the clock ran out, and minutes later alumni and undergrads alike filled the GHS gymnasium to celebrate the victory with a homecoming dance.

No one was as happy as Coach Whisenhunt and Roy O—unless it was the whole GHS football team.

Awestruck, the junior cast listened attentively as Jeanette Clack broke the news that the railroad might "come right through that door" of Tinfinger's Ice Cream Parlor.

## *Stunt Night — 1965*

Traditional at Goldsboro High School is Stunt Night, sponsored by the National Honor Society to support their student scholarship program. At this annual event each class presents an original stunt, student written, produced and directed.

(above) The Senior victory last year led to the crowning of their class representatives, Jimmy Fields and Ellen Derby. The are attended by, (left to right) Ed Wooters, Ray Bunch, Jeanette Clack, Eva Bennett, and crown bearers Johnny Wharton and Agnes Stevens.

(left) Tarzan (Tim Ammon) and Jane (Sue Harris) were shocked to learn from the Grapevine (Janet Lancaster, Marsha Hagman, and Diane Carraway) that foreigners might invade their jungle.

# Magazine Drive Sets New Record

(above) The highest salesmen for the three classes were Rose Paul Blackwell, Senior, Ray Rouse, Junior, and Jimmy Jeffreys, Sophomore.

## \$14,500 Goal Is Surpassed

The success of the annual magazine drive at GHS was apparent when the final total—\$15,603—was announced. The Sophomores sold \$3,986 in subscriptions, the Juniors turned in \$5,555, and the Seniors were the top class with \$6,062.

(right) Emily Withers, overall high salesman for the drive, is shown discussing a subscription with Tyler Simpson, President of the P.T.A.

Coach Chick Doak conducted our first magazine drive assembly. Spirit and competition among the classes ran high, as illustrated by the posters and banners.

The problems of dishonesty and cheating in school were the basis for the formation of an honor committee this year. This group, headed by Donna Armstrong, has presented numerous assembly programs and panel discussions dealing with various means of correcting the dishonesty situation at GHS. Meeting to discuss the program are, left to right, Shirley Simpson, Donna Armstrong, Miss Ina Mixon, Mr. James Jackson, Lynda Bell, Lynn Boland, Jean Bradel, Leslie Hood, Mrs. B. K. Balkcum.

### *Varsity Club Prayer*

When the score stands against me and there seems little chance to win, when there is a whole half to play and I am hot and tired and sick at heart, then I pray, Divine Comrade, for strength to play the game. It is easy enough to play when I am winning, when I feel fresh and there are no odds against me; but when things are going wrong and I am tempted to cheat, to gamble, or to quit, then I need Thy help. I want to take life as a game and play it fair and hard. To do this, I need some strong leader, so I pray that Thou will always be with me.

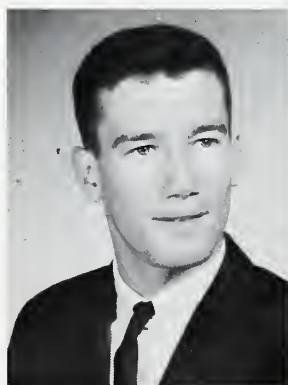

When I am cowardly or tired or baffled, give the sense that Thou art by my side, telling me how to play my way and giving me the courage to keep on. Be with me in the contests of today and all through life's courses. Amen.

# Varsity Club Dance

Glimpses of the 1965 dance show Lynn Phelps and Mark Helms with Ellen Derby and Frankie Hill.

In the spring of each year the Varsity Club sponsors the eagerly-awaited formal, the only formal function held at Goldsboro High School. Members in white dinner jackets and their dates in white ball gowns are formally presented each year at this function, which honors the Varsity Club Sweetheart.

Following the formal dance, attended also by invited guests of the club, is an informal dance and a pre-dawn breakfast for Varsity Club members and their dates. This completes a series of activities which begins on Saturday afternoon with a tea for dates of the Club members.

Coach and Mrs. Gerald Whisenhunt are active chaperones.

# Wrestling '66

Goldsboro's wrestling team this year continued to have championship spirit and a championship record, both a result of excellent coaching and conditioning, the return of five veterans, the addition of several spirited transfer matmen, and a team attitude that demanded victory.

Though without an individual state champ, GHS wrestlers accumulated enough points for a team victory at the N.C. State Tournament in Salisbury.

Ricky,

It's hard to tell a friend just what being a friend means to me, friendship comes from within the heart and it is something that simply can't be valued in words. Ricky, you are one of the few guys at Goldsboro High School that I really respect to the utmost. It's very seldom that one finds a cute boy as well as a nice and well-mannered one all wrapped up in the same package! This is truly a high virtue and is only granted to a few. May good health and smooth sailing follow you all the rest of the days of your life.

Be sweet and don't do anything that I wouldn't. That leaves a wide range,  
Jane Dutton

Dear Dear Ricky,

You've been a favorite now for two years and I'm hoping now we'll go for three, then on forever!

I couldn't ever get over the way we laughed so hard at lunch, what a "hell," huh? Don't forget I'm hiding

trique me for the times I was mean, but I really couldn't stay in a bad mood around you!

Remember our influence on each other; you watch out for me and I'll watch out for you, ok?

You're a really great guy in my opinion, never change!!

Ricky

It's been fun this year in Miss Hicks' study hall. What would we do without your big mouth. Really though, I hope you never change from the way you are right now. You'll get far if you don't.

A good friend forever

Ricky:

I have enjoyed knowing  
you; dating, you; and being  
with you. I hope our  
friendship will continue  
without Gail Sutton's st- (I'm mad at her today)  
help!

{ I would say you  
a nice, sweet person  
with a great person-  
ality but we know  
better, don't we? }

Ricky,

I sure have enjoyed knowing you  
this year. I hope we can continue our  
friendship next year when we're big  
seniors! Ha! Ha! (I hope.) You are a  
very nice & funny boy. I sure has  
been fun knowing you & hope we'll  
be friends a long time. Thanks for  
saring me a seat at the baseball games.  
(Ha! Ha!) (only kidding) But seriously,  
God bless you & may you have  
everything ~~the~~ you wish for in the  
future.

Love,

Carol Check

is one  
the worst  
my car & I've even  
read in my life.  
Aside from that, you're  
a person of very good character,  
and a good set of standards to guide  
you through life.  
Hope our friendship will continue  
to be as it has in the past. - Do it -  
An Old Friend,  
Tony Lyke

I have  
thoroughly  
enjoyed these  
past few months  
spent in study  
hall joking  
with you.

Ricky,

I am glad I had the opportunity to read  
Cherry's Comment before I wrote in your  
annual. If I have come between you  
two in any way, you are perfectly  
welcome to say so. I am only sorry  
that Cherry doesn't like our being  
such good friends. But nothing can  
spoil that friendship for me. I  
think you are a great person and  
I hope our friendship can last  
forever. I have enjoyed

every moment of this  
year because you

have been in this  
study hall to listen  
to my problems. You  
are a good kid with  
a grand personality.

I am sure you will  
stay this way forever.

Sincerely your  
friend,

Dail Sutton

P.S. Thanks for the  
60¢ worth of gas.

Ricky,  
You are a very  
sweet and thoughtful  
person & I'm very glad to  
be your friend & hope to  
remain as such.  
May the best be yours and with  
your personality I'm  
sure it will.  
Love  
Dail Sutton

Rickie,  
 I've been thinking about you a lot lately. I haven't known you for a long time, but I've been going with you since I've been in your room. Best Wishes in your senior year. Good luck Beverly May 1967

Rickie,  
 Knowing you is a pleasure you are one of the sweetest boys I have ever known. I know you will always be as sweet as you are now. May God bless you always and always remember I'll be your "friend".  
 Love ya!  
 Rebecca

Rickie  
 To a good guy I guess. I would say you were a good wrestler, but you know about that commandment HA! It's been nice knowing you. To bad it's not going to end HA!

Giddy,  
I could think of a thousand things  
to say about 5 minutes ago but I  
can't think of a thing to say now. But  
here goes nothing. It has been a  
great pleasure knowing you. I don't  
think I shall ever forget you and your  
ways. I'm sorry things didn't work  
out for us. I wish you all the luck in  
the world for you with Cherrie. You are  
one of the most darling, sweetest and  
wonderful <sup>peeps</sup> I ever known. Continue  
just to be that way and you'll go  
far in life. When you join the Navy  
and you out on the high seas,  
remember little "ole" me. Well, it  
is time for our paths to uncross.  
Maybe sometime, somewhere in the  
near future they may cross again.  
Good luck wherever you go.

" Love always,
